### ► SERIES OVERVIEW

Lighthouse Pet is a premium synthetic turf engineered specifically for pets, combining top-tier durability with a clean, natural look. Featuring a 1¼-inch wave blade structure and dense fiber construction, it stands up to heavy use while remaining soft under paw.

Its advanced drainage system and resilient design make it ideal for high-traffic pet areas, kennels, and backyards. Lighthouse Pet offers the perfect blend of performance, cleanliness, and comfort for both pets and their owners.
